

DONORS & SPONSORS NEEDED

ALL PROCEEDS TO BENEFIT CHILDREN IN FOSTER CARE

Safe Haven Foster Shoppe is a tax-exempt 501(c)3 not-for-profit organization that provides essentials to children in foster care in Minnesota and Western Wisconsin. Our goal is to provide placement items for foster children and alleviate the financial burden on foster homes by soliciting, collecting, and packaging placement packs for distribution through a network of county agencies and directly with foster homes. Our services include a variety of placement bags or packs to provide 1 day-1 weeks worth of essentials. This includes clothing, toiletries, blankets, and entertainment items.
